

2019 Featured Artist  
SUZANNE CHRISTIAN

For this year's poster, local artist Suzanne Christian chose to paint the Captain Andrew, one of Georgetown's most historic wooden boats. Launched in 1968, the 75-foot trawler is Georgetown's oldest wooden hull shrimp boat. It is still in use today.

Posters featuring this year's art will be sold for \$20 at the show and are available now at the SC Maritime Museum. The original painting will be auctioned on Friday, October 18 at the Goat Island Yacht Club Regatta. For tickets visit: .
